

VIDEO INTERN

casesolvers

Do you believe in the determinative power of education? Do you believe that even the relatively small group of 34 young professionals can make a huge difference? Do you think that one is never too old or smart enough to develop new skills?

If you love making videos, and if you want to be the part of a dynamically growing, highly professional community, apply.

What we would like you to do

- ✓ Create well-edited clips based on self-made interviews on our events
- ✓ Create simple animated clips
- ✓ Be creative about the possibilities of motion picture
- ✓ Be open to learn new skills on your field

You are our dream candidate, if you

- ✓ Like making videos
- ✓ Are also a pro in making them
- ✓ Have at least basic knowledge about the using of Adobe Creative Cloud software family (Premiere pro, After Effects, Audition)
- ✓ Have IT knowledge related to videos and practice to work on field independently
- ✓ Have art running in your blood

We offer...

- ✓ An adult position (you can define your own working hours as you find the most fit your life)
- ✓ A steep learning curve
- ✓ Real-life responsibilities
- ✓ Open ears for your smart suggestions
- ✓ Competitive salary
- ✓ A friendly environment and a lively community life (due to Covid-19 only online at the time)
- ✓ Travelling opportunities (when Covid is all over)
- ✓ An enthusiastic community that works for skilling up people & society
- ✓ Learning opportunities and useful subscriptions

Sounds good? :)

We are looking forward to reading your CV.
