

Schaeffler – közös jövőnk, a Te sikered

Schaeffler is a dynamic global technology company, and its success has been a result of its entrepreneurial spirit and long history of private ownership. Does that sound interesting to you? As a partner to all the major automobile manufacturers, as well as key players in the aerospace and industrial sectors, we offer you many development opportunities.

HR Intern - Regional C&B projects (Szomathely / Budapest)

Main tasks:

- Supporting the development of local and European compensation systems and pay structures
- Supporting local strategical and operational process in the area of compensation and benefits
- Analyzing benchmark data and other KPI's relevant for compensation and benefit design
- Assisting in communication plans for C&B initiatives
- Providing help in the evaluation of jobs and the maintenance of the global job catalog
- Planning and maintenance of project plans for C&B initiatives
- Supporting the subregional C&B lead in CEE projects

Requirements:

- Full time studying business administration, economics, HR or any related faculty (located in Budapest or Szombathely)
- Interest in Human Resources and HR processes coupled with first experiences in HR work
- Strong analytical mindset and conceptual thinking
- Advanced skills in MS Office tools (especially Excel) and ideally some knowledge about SAP
- Advanced level of English language (oral and written)
- Highly result and target driven
- Strong communicational skills, reliability

Exciting assignments and outstanding development opportunities await you because we impact the future with innovation. We look forward to your application.
