Erasmus+ at Óbuda University

- Óbuda University has ECHE and IIAs with partners and take part in Erasmus+ programme **without budget**
- OU can accept students and staff from Erasmus partners
- OU can send students and staff only from governmental fund - **Pannónia Scholarship** (as has not received EU funds from Autumn 2023)

Purpose of the Pannónia Scholarship programme

- To raise the number of outgoing staff and students;
- To involve new mobility types: e.g. research for students and teachers, short-time mobility for students;
- To support the cooperation activities between the Hungarian and international partners
- Encouraging students to study at one of the Top 250 institutions (excellence program);
- **Temporarily** to send students for long-term mobility to the Erasmus+ partners.

Long-term student mobility types:

- SMS - Mobility for Studies (2-12 months)
- SMT - Mobility for Traineeship (2-12 months)
- SMR - Mobility for Research (2-3 months)

Short-term student mobility types:

- SMS short - Mobility for Studies (2-30 days)
- SMR short - Mobility for Research (2-30 days)

Short-term teacher, researcher, and staff mobility types:

- STA - Mobility for Teaching (2-60 days)
- STT - Mobility for Training (2-60 days)
- STR - Mobility for Research (2-60 days)

➤ IIA for Pannónia is needed before mobilities

➤ Content

- Similar to Erasmus+ IIA – basic information and mobility types, numbers, subject areas;
- Place for specific terms; (other mobility types)
- Duration: valid for the duration of the academic years covered by the Erasmus+ IIA;
- Termination of this Agreement may be initiated by either Institution but shall take effect after the end of the calendar year of the date of such initiation (also earlier as IIA).

➤ Template

- Easy to fill in and prepared by OE;
- Modification is available (other terms) – custom-tailored ;
- We use subject areas and not faculties;
- We also accept e-mail approval first in order to advertise to students but signing an agreement is necessary before mobility takes place.

**We look forward to a positive response and further successful cooperation!
We are at your disposal for any questions you may have.**

➤ **If you agree to cooperate within the Pannónia programme, please:**

- Check with your National Agency the possibility of sending participants from your institution;
- Check if you are interested in cooperation with new mobility types;
- Confirm by e-mail if you are ready to continue the cooperation (for long-term student mobility, please confirm as soon as possible so that we can meet the deadlines for nominations.);
- Checking the content of the agreement template;
- Signing agreement before the mobility takes place.

Please send information about your summer schools or other short programs.
