

**Rector's instruction No. 5/2024 (23 April)**  
on educational organisation issues concerning the University Sports Day at Óbuda University

In order to ensure the smooth running of the *University Sports Day* event of Óbuda University, and the participation of university students in the event, I hereby order the following.

All students (full-time, part-time) of all faculties of the University may participate in the *University Sports Day* event on 9 May 2024, and their absence from classes starting at 12:35 or later shall not be registered as absence.

Yet, absence from mid-year examinations is not permitted, not even after 12:35 on 9 May 2024, so attendance at the above-mentioned event does not excuse them from completing the mid-year examination (e.g. taking a final test), and does not justify absence from the examination.

The instruction shall enter into force on the date of promulgation and shall cease to have effect on 10 May 2024.
